 important for understanding the world we live

The mini-quiz system forces me to stay engaged in course material, which is very good.

Sometimes, the reading was too lengthy. There have been times where it's 30+ pages -- I think it's a bit much.

Don is an excellent instructor and I loved how he just knows so much historical background on seemingly every topic discussed.

b. Please provide any feedback you have about the course that would be helpful for the instructor to know in preparing to teach this course again.

Try to cut down reading a bit -- often we simply cannot finish them having all our other classes designing readings.
