This was an interesting and relevant course. Well designed, organized, and especially well executed.

Our first test I did very poorly on. I felt extremely comfortable with the study guide material, but I was not able to apply that information to the test. I think a more effective method would be to have the study guide written by Shane, rather than the students.

I was never clear on who to study. There were a ton of actors presented in the materials, and I could not study them all.

Reading & Reading Briefs did not help me prepare for the exames. They were more like summarizing questions rather than how the exams were so ID heavy. Also, reading briefs were excessive. Over 100 pages of reading plus a 6 question reading brief leads me to not do All of the reading.
